Furthermore we/I hereby agree to protect the LABBB Collaborative and its successors, departments, officers, employees, servants, and agents, against any claim for damages, compensation or otherwise on the part of said minor growing out of or resulting from injury to said minor in connection with his/her participation in the LABBB Collaborative’s voluntary field trip and to indemnify, reimburse or make good to the LABBB Collaborative or its successors, departments, officers, employees, servants and agents any loss or damage or costs, including attorney’s fees, the Collaborative or its representatives may have to pay if any litigation arises from said minor’s intentional, grossly negligent, or reckless acts or omissions while participating in said field trip.

I understand if my student is off-campus for a field-trip, worksite, physical education, or recreation activities a nurse may not always be available. Every effort will be made for a school nurse to attend field trips during the school day. In the event of an emergency (seizure, allergic reaction, injury), 911 will be called. This is also true for after-school activities where a nurse is not in attendance.

I/We hereby authorize LABBB’s employee(s) or agent(s) who is supervising said minor to act on our behalf in authorizing and consenting to emergency medical care for said minor if he/she becomes ill or is injured while participating in the field trip at my expense. This Authorization and Consent may be presented to the appropriate emergency medical staff at such time as emergency medical care is required. I/We hereby release and discharge LABBB from any and all claims of any nature whatsoever, which may arise out of the decision to provide emergency medical care.
