

Join the LABBB Legends as we frolic in the icy waters of Revere Beach this winter!

The Polar Plunge is an annual event organized by Special Olympics of Massachusetts. During the past six Polar Plunges, the LABBB Legends have raised close to \$30,000 – 70% of which came directly to LABBB for our Special Olympics track and field event each spring. Team members recruit pledges to donate to this worthy cause, so we could certainly use your support! If you cannot make the plunge with us, please consider contributing to the team financially or offering moral support from the shore.

To join or sponsor our team, visit:

<http://www.specialolympicsma.org/events/fundraising-events/polar-plunge/>

Select the Revere Beach plunge, then click “Register Here” to join the team. After agreeing to the terms, select “Join a Team,” then select the LABBB Legends from the drop-down menu.

If you choose to stay warm on Saturday, but would like to donate, visit the same site listed above and select the Revere Beach plunge. Scroll down, then select “View all Teams” from the menu on the right, below the list of the Top 10 Teams. If you wish to sponsor an individual team member, you may search for them instead of visiting the team page. Cash and/or checks are also accepted, and may be given to team members prior to the plunge. Checks can be made out to Special Olympics of Massachusetts.

The event takes place at Revere Beach on March 4. Thanks in advance for your support!
