4. If your son/daughter is driven to school by a LABBB driver, please call the driver to inform them of their absence.

5. **If a student is deemed by the school nurse “too sick to remain in school” the parent MUST come to school and take him/her home in a timely manner. We ask that every effort be made to pick up your child within 1 hour of notification.**

6. All emergency cards **must** have reliable phone numbers. (Work, cell and emergency contact numbers have to be current.) If you have not returned your son/daughter’s emergency card please do so as soon as possible.

7. All group homes must be staffed to receive students on ½ days and early dismissal days.
